GM Hobbled Despite End of Strike

By A. F. MAHAN

DETROIT (AP) — Despite ending of a 31-day national walkout against General Motors Corp., the giant of the automaking industry was hobbled today by local-level strikes that threaten to snuff out new operations.

The question of when the company that normally turns out more than half the nation's new automobiles might get any assembly lines going again was unanswered. One company source guessed: "Within a couple of days, maybe."

The United Auto Workers union announced Sunday night that 95 of 97 local units reporting had given "overwhelming ratification" to a new three-year national contract.

The UAW announced that the national strike was "terminated," but, at the same time, said the 28 local units which had not reached at-the-plant working agreements which supplement the national contract would stay out.

At the time 102 of the UAW's 130 units in GM's empire had reached local-level settlement.

With announcement of the national strike's ending, GM called back maintenance, and make-ready crews in the Pontiac Division at Pontiac, Mich., the Buick Division at Flint, Mich., and the Buick-Oldsmobile-Pontiac plant in Kansas City, Kan.

Louis G. Seaton, GM's vice president for personnel and its chief negotiator, said there would be other callbacks, but he was unable to pinpoint them immediately, "and I don't think anybody else can, either."

The UAW said it knew only that the 28 local units without at-the-plant agreements positively were not going back immediately.

The national strike was a selective one. The union ordered members in GM plants selling parts to Chrysler Corp. and Ford Motor Co. to stay on the job. But in all it idled more than 300,000 of GM's work force of 360,000.

It started Sept. 25, when a deadline for new national agreement was passed. A new national contract was negotiated on Oct. 5, but the union authorized locals to stay out in support of at-the-plant demands.

Wants Support of LBJ Withdrawn

LITTLE ROCK (AP) — The president of the Little Rock Capital Citizens Council urged Saturday that Gov. Orval E. Faubus withdraw his support of the Johnson-Humphrey presidential ticket.

The official, Amis Guthridge, said Faubus had assured the council and others that he would under no circumstances support Johnson.

Guthridge said the council had placed advertisements attacking Faubus in Little Rock newspapers with the purpose of encouraging the governor to "honor his absolute assurances" that he would not support Johnson.

Refuses to Review Trial of Two

WASHINGTON (AP) — The U.S. Supreme Court refused today to review the trial of two Negroes given death sentences in Arkansas on conviction of raping of a white school teacher.

The Negroes, Albert Harris and Orion Trotter, were convicted April 11, 1963 in Drew County Circuit Court in Monticello.

In appealing to the Supreme Court, the two contended, among other things, that Negroes had been systematically excluded from the trial jury.

Largest Creature Ever to Live on Land or Sea Is the Huge 100 Ton Blue Whale

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

If you want to quit cigarettes, one way to subliminate the smoking urge is to blow soap bubbles instead. But remember this: Don't inhale!

The largest creature that ever lived on land or sea is the blue whale. It weighs up to 100 tons — as much as 16 large elephants — and yields 25 tons of oil.

Children are sometimes told they suffer from "growing pains," but actually there is no such thing. The aches are the result of strain or muscular fatigue.

The world is in no danger of a fuel shortage. The oceans contain enough deuterium, a heavy isotope of hydrogen, to supply thermonuclear energy for hundreds of years.

Russia Buys More Wheat From Canada

WINNIPEG, Man. (AP) — Russia has bought 10.6 million bushels of wheat and wheat flour from Canada, the Canadian Wheat Board announced today.

The cash sale is worth around \$21 million. Shipment will be made through St. Lawrence and Atlantic ports starting next month. The sale involves 250,000 long tons of wheat and 25,000 long tons of flour.

Under the contract, the wheat and flour can be shipped to Cuba as well as the Soviet Union.

Finds Decapitated Body

AUGUSTA, Ark. (AP) — Officers in Woodruff County found the decapitated body of a white man floating in the White River near Augusta Sunday.

They said he had been dead about two weeks, and appeared to be between 25 to 35 years old. He had a 17-inch cut on his abdomen, but there were no bloodstains on his clothing.

He was dressed in a blue denim shirt, shorts and socks. The body was sent to Little Rock for identification.

New Russian Chiefs Asked to Pay Debt

PHOENIX, Ark. (AP) — Sen. J. William Fulbright, D-Ark., called in the new Russian leaders to pay the Soviet Union's debt to the United Nations or lose General Assembly voting rights.

Fulbright, chairman of the Senate Foreign Relations Committee, addressed a U.N. observance Day rally here Saturday night.

He said a dispute over U.N. finances is "imminent and dangerous."

"The Soviet government has been adamant in its refusal to pay any part of its back debt of \$52.6 million, and in refusing to negotiate a compromise arrangement for future peace enforcement operations," Fulbright said.

He said recently deposed Premier Nikita Khrushchev threatened to leave the United Nations if the Soviets were deprived of their assembly vote. Fulbright said such a move was unlikely.

"It is not yet clear," Fulbright said, "whether the Brezhnev-Kosygin government will feel bound by Khrushchev's position on U.N. finances."

He said the Soviet debt had mounted by that nation's refusal to share costs of the U.N. Force in the Middle East and the Congo.

Gubernatorial Campaign in Final Week

By JOHN R. STARR
Associated Press Writer

LITTLE ROCK (AP) — The gubernatorial campaign that was billed as "The race of the century" is now in its last full week without a thunder of hooves.

"The 'horses' are still running against one another and not against the clock."

And the young thoroughbred, Winthrop Rockefeller, is finding that the old plowhorse, Gov. Orval E. Faubus, is a hard one to get off the rail.

Both Faubus and Rockefeller said this weekend that they plan to stick to the campaign tactics they've employed so far. If they do, Faubus will continue to fret about Rockefeller's "unlimited millions" and Rockefeller will contend that progress under the Faubus administration has been "illusory."

For the first time since his 1956 campaign against Jim Johnson, Faubus is running full tilt against an opponent. He rode the racial issue in 1958, ran on his record in 1960 and 1962. In this year's Democratic primary, he ran on his reputation.

But no one who hears him in this campaign can doubt that he is running against Rockefeller. He continues to talk about "accomplishments" of his administration but half his speeches are devoted to personal attacks on Rockefeller whom he calls a "former New York playboy" and various other succulent names.

Rockefeller with some effort has ignored the personal attacks, sticking to his plan to run against the Faubus record and not the man. He believes that voter disgust with a campaign of "slander, smears and tears" will work in his behalf.

There apparently has been some misgiving in the Faubus camp about reaction to the governor's tactics. Some of his aides reportedly have advised him to tone down his speeches. Others are urging him to pour it on Rockefeller.

Faubus said last week that he (Continued on Page Two)

Another Suit Attacks Van Dalsem Act

EVENING SHADE, Ark. (AP) — A suit was filed in Sharp County Chancery Court here today claiming that the Democratic members of the county election commission invoked the so-called Van Dalsem Act to prevent Republicans from naming election judges.

The suit was filed by Aubrey Jackson, Republican member of the commission, against Thomas R. Freeman and Bryan Brissett, the Democratic members.

Jackson claimed in the suit that the respondents refused to certify those judges and clerks appointed by him who voted in the 1964 Democratic primary.

The suit also claimed that Jackson was denied the right to pick alternate officials.

It seeks an injunction against the Democratic members from enforcing the action. A hearing was set on the petition for Thursday.

The suit was the fourth of its type filed in the state this year. Atty. Gen. Bruce Bennett has ruled that under the 1963 act, persons who voted in the Democratic primary are Democrats and cannot be appointed as Republican election officials to work Nov. 3.

In suits at Russellville and Clinton judges took no action after Democratic officials agreed not to enforce the law. A Pulaski judge ruled that the GOP had no cause for action in filing a suit in that county.

The law says that Republicans may not have election judges and clerks in precincts where there are no registered or known Republicans.

The GOP says the law is unconstitutional because it does not give voters the right to change their party, and because it discriminates against the Republican Party.

Wirges Goes Before Jury at Morrilton

MORRILTON, Ark. (AP) — Former Morrilton newspaper editor Gene Wirges testified before the Conway County Grand Jury today and was then released from jail where he had spent four days after being cited for contempt of court.

Grand jury testimony is secret and it was not known what Wirges told the jury.

Wirges went before Circuit Judge Wiley Bean and said he was ready to answer any jury questions in which he would not have to incriminate himself.

He then went to the grand jury room and testified for 30 minutes. He left the courthouse with his lawyers, Thorp Thomas and Bethel B. Larey.

Bean held Wirges in contempt of court last Thursday after he said Wirges would not testify before the jury on subpoena.

Bean ordered Wirges jailed until he would testify.

The jury is investigating the possibility of conspiracy against Sheriff Marlin Hawkins.

Bean said Mrs. Wirges told him that Wirges would "tell the grand jury anything they want to know."

Bean called the grand jury after two justices of the peace issued warrants against Hawkins on the basis of a sworn affidavit which charged Hawkins with irregularities in the handling of a drunken driving arrest.

Bean threw out the two warrants.

He ordered Wirges jailed after he refused to testify and Wirges' attorneys asked the Ar- (Continued on Page Two)

Shakeup Has Hurt Prestige of Russia

By JOHN M. HIGHTOWER
AP Special Correspondent

WASHINGTON (AP) — President Johnson has been advised by government experts on Soviet affairs that the ouster of Premier Khrushchev has damaged the prestige of Soviet leadership at home and abroad and rendered uncertain the future course of Soviet policy toward the West.

These are among the principal conclusions reached in a new study of the sudden, sensational shakeup in the Kremlin earlier this month. Other conclusions reported to the President, according to informed officials:

1. The best guess about the future prospects for Khrushchev's successor is that a power struggle probably cannot be foreseen. The experts say that the communist party boss Leonid I. Brezhnev and Premier Alexei N. Kosygin appear to represent the two bureaucracies of the party and the government, and these together with the competitive interests of the military and industrial establishment set the stage for a power struggle.

2. Factionalism in the Soviet Union tends to hurt Soviet interests internally and externally. The destabilization program of a decade ago is cited as a case in point. It was one of the issues over which Communist China avowedly split with the Soviet Union.

3. The violent wrench which resulted from the sudden ouster of Khrushchev has displayed to the world what experts here term the uglier side of Kremlin politics and this has been a principal contribution to the loss of Soviet prestige. It renders virtually all important aspects of Soviet policy uncertain.

4. While Brezhnev and Kosygin have reaffirmed Khrushchev's policy of coexistence, the new men and their jockeying for power could move Soviet policy in the future in almost any direction subject only to the limits of the Soviet Union's power position.

5. The Communist-ruled countries of Eastern Europe have been given another push toward the West by the shakeup. This is evidenced by the fact that Poland, Hungary, Czechoslovakia and East Germany have in various ways praised Khrushchev's accomplishments instead of following the new Kremlin line of denouncing his failings. This is taken to mean that Eastern European leaders are unwilling to reverse Khrushchev's relatively liberal policies toward the Eastern European countries and that they are determined to look to their national interest as distinguished from their Communist party loyalties.

6. To a considerable degree the ouster of Khrushchev — particularly coming so close to Red China's recent nuclear explosion, has played into Chinese hands. It displayed dissent (Continued on Page Two)

The United States has posted a squadron of 15 B52 heavy jet nuclear bombers on the island of Guam — within about 1,000 miles of Red China, it was learned today.

The unpublicized move, made last spring, places the 15 B52s about 5,000 miles closer to Communist China than when they were based in the United States.

The squadron sent to Guam replaces a unit of older medium jet B47 bombers. B52s have at least twice the striking range and carry much more of an atomic wallop than the B47s. The B52s also fly faster and higher.

This is the first time that the long-range B52s have been deployed overseas. The other 600 heavy jets are stationed in the United States, half of them on "runway alert" and ready for takeoff within 15 minutes.

Minister Says His Life Is Enjoyable

The Reverend Robert B. Moore, Jr., pastor of the First Methodist Church, told Hope Rotarians in a speech before the club Friday that the life of a minister is one of the most enjoyable and rewarding professions that any young person could choose for their life's work. "Rewarding, not necessarily from a monetary point of view, but from the feeling of satisfaction that a minister gets from being of service to others," said Reverend Moore.

He compared the work of a minister to that of a physician in that they both deal with the lives and welfare of people. "Ministers too, for the most part, spend many years preparing themselves for their life's work, and that is the way it should be," said Reverend Moore. There is a present day shortage of ministers in most all faiths, according to Reverend Moore and he urged all parents who have children in school to encourage them to give some serious thought to this profession.

Rotarian Herbert Stephens arranged this program before he left to enter the Methodist Hospital in Houston recently.

Program Is Announced by Wilson

By ARTHUR L. GAVSHON

LONDON (AP) — Prime Minister Harold Wilson's new Labor government announced a sweeping new emergency program today designed to reduce a \$2-billion gap between Britain's earning and spending abroad.

A government statement said the program, to be put into effect immediately, includes:

1. Tax surcharges on imports to curb spending overseas.

2. Tax concessions for exporters to boost overall earnings.

3. Formation of a Commonwealth export council.

The statement estimated the nation's 1964 trading account will show Britain will have spent about \$2 billion more abroad than she will have earned.

Economic Minister George Brown spoke of the need for "a strict review of all government expenditure."

The statement said the government's economic program also includes borrowing from the International Monetary Fund to bolster the pound sterling.

Britain can draw up to \$1 billion from the fund provided she repays it within a stated period.

The statement said the Labor government is satisfied that with available facilities the strength of the pound "can and will be maintained."

But it declared that Britain's underlying economic situation "remains profoundly unsatisfactory."

Both caught fire and were burning furiously when they hit the rocky hill. Twelve Marines aboard the two machines managed to make their way out of the flames and a 13th was rescued badly injured.

is trying to destroy Rockefeller's "false image" as a "Father Christmas for Arkansas."

"This false image is all he has going for him in this campaign," the governor said. "The people of Arkansas have been led to believe that Rockefeller is a kindly, generous man."

To dispel this image, Faubus has talked of the manner in which the Rockefeller family fortune was accumulated, the whisky supply at Winrock Farm and desecration of a cemetery on Rockefeller property near Lonoke.

Rockefeller counters that the state has a false image of progress under the Faubus administration, that the state could have moved faster, faster with better leadership.

That is the shape of the campaign. The men are not far apart on the basic issues of industrial development, education, welfare and gambling, although each accuses the other of double talk on the gambling issue.

Rockefeller, who says he traveled 10,000 miles and shook 200,000 hands in July, August and September, has all but abandoned the stump to Faubus who is hurrying around the state as if the voters had never seen him before.

Rockefeller's major appearances in the last week will be at evening rallies. He has a stumping swing scheduled Tuesday in Northwest Arkansas.

where he is believed to have his strongest support.

Faubus didn't really start "courthouse" speaking until 10 days ago, but he has averaged five stops a day since then. He won't make every county — as Rockefeller has — but he will have spent at least one day in every major voting area before the polls open.

Each man says the votes are still switching, but each thinks it is he who is gaining strength. That's normal at this stage of a campaign. Earlier Faubus said he thought the voters had made up their minds and campaign oratory couldn't sway them.

The race issue hasn't got the attention that many thought it would because of Rockefeller's moderate views. Even when Faubus goes into the strongly racial-conscious Delta areas he either ignores the matter or passes over it lightly.

Rockefeller made much early in the campaign of a Faubus remark, made at McGehee, that racial demonstrators should be run over. He has said less about this since Faubus admitted on a telecast that it was an "inept" remark.

U.S. Pilot Dies in Viet Nam Crash

By MALCOLM W. BROWNE

SAIGON, Viet Nam (AP)—A U.S. Air Force pilot and his Vietnamese copilot were killed in the crash of their A1E Skyraider today on a mission against the Communist Viet Cong 30 miles northeast of Saigon. The cause was not immediately determined.

U.S. military sources, in reporting this incident, said six other Americans were wounded in widely scattered actions Sunday and today. The roll of American combat dead in Viet Nam rose to 213.

American officials reported a twin-engine U.S. Air Force transport shot down Saturday apparently was hit by Cambodian fire and not by the Viet Cong. The C123, air-dropping supplies for a U.S. Special Forces camp, crashed and burned and all the eight Americans aboard were killed.

It appeared that U.S. ground and air forces operating along Cambodia's frontier were in a virtual state of war with that avowedly neutralist kingdom. Cambodia has charged, meanwhile, that planes coming from South Viet Nam have strafed several of its border villages.

American authorities positively identified a body recovered at the frontier as that of U.S. Army Capt. Herman Y. Towery of Georgetown, S.C., who was captured alive with three Vietnamese troops in a battle with enemy sampans last Thursday. The bodies of Towery and two of the Vietnamese were found Saturday.

The 123 went down at the frontier about 130 miles north of Saigon.

New Trial Ruled in Damage Suit

LITTLE ROCK (AP) — The Arkansas Supreme Court granted a new trial today in a damage suit against the Missouri Pacific Railroad in the death of two Camden brothers in a truck-train collision in 1960.

Nevada Circuit Court directed a verdict in favor of the railroad in the \$296,372 damage suit saying that the truck driver

was negligent in failing to look up the track for the train.

The Supreme Court said in a 4-1 decision that the jury should have been allowed to rule on whether the truck driver was more negligent than the trainmen.

Killed in the crossing accident were Ernest Albert McDade and Fred Joe McDade, brothers who were employed in Camden as carpenters. The freight train struck their truck broadside.

Prior to the introduction of the 1965 Ford, the country's leading automotive writers drove the new models at Dearborn. Most of these experts remarked about the extraordinary quietness and smoothness of the Ford ride. An automotive writer, in *Mechanix Illustrated*, said, "If there is a quieter car made in this country, I haven't driven it."

Two guests of the Centerville Home Demonstration Club took part in the program on Wednesday, October 21 in the home of Mrs. Chester Faught. After all had sung, "Precious Lord, Take My Hand," one of the guests, Miss Murlene Faught, gave an inspiring devotion and Mrs. Vernie Goynes offered prayer.

The other guest was the Home Demonstration Agent, Miss Delores McBride, who demonstrated giving an antique finish to painted furniture. After the vice-president, Mrs. Clyde Snellgrove, had called the meeting to order, the eye opener was Mrs. William Altom's illustration of making a dried flower arrangement.

The devotion and demonstration came afterwards, as did Mrs. Snellgrove's lesson, "Fall out on the Farm." When the roll was called, 11 members answered with an interesting and helpful household hint.

Election of two officers resulted in Mrs. Snellgrove's being chosen president and Mrs. Porter Powers vice-president. Other officers of the club will fulfill their current two-year terms of office.

Mrs. Hugh Bearden gave a note on health, and Mrs. Snellgrove read a poem, "Just Be the Best." Mrs. Altom won the door prize. Cookies and coffee or punch were served. The next meeting will be with Mrs. Vernie Goynes.

The type of B52 stationed on Guam has an effective operating range of more than 6,000 miles with the fuel it carries in its own tanks.

Refueled by aerial tankers, the eight-jet B52s can extend their ranges by thousands of miles.

Each B52 can carry a brace of the heaviest nuclear weapons in the U.S. arsenal — weapons packing explosive equivalents of 24 million tons of TNT.

Furthermore, B52s are fitted to launch Hound Dog missiles. These nuclear-headed missiles can blast ground targets more than 500 miles from their mother bombers.

Figures His Opponents Talk Enough

By GORDON BEARD
Associated Press Sports Writer

BALTIMORE (AP) — Coach Red Auerbach of the Boston Celtics, vociferous on the basketball court, lets his opponents do the talking when it comes to predictions.

"Everybody says they can beat us this year," Auerbach said Sunday night after the undefeated Celtics whipped the Baltimore Bullets 112-100. "I let them do all the talking. We just go out and play."

And so far, the Celtics haven't been doing badly for a team that's supposed to be on the way down. Boston has won four straight for a fast start in quest of its seventh consecutive National Basketball Association title.

Just behind Boston in the Eastern Division with a 3-1 record are the Cincinnati Royals, who edged the Philadelphia 76ers 109-107 Sunday night. In the other half of a doubleheader

Five Unbeaten Teams Stay in Bowl Picture

By BOB HOOBING
Associated Press Sports Writer

Altogether now coaches — let's hear it: "We're going to play 'em one at a time." Woody. . . Ara. . . ear. . . you're in great voice.

The nation's unbeaten, untied big five — Ohio State, Notre Dame, Alabama, Arkansas, Nebraska — are charter members of college football's Mid-season Mounting Pressure and Cliche Society in which there are these taboos:

1. overconfidence
2. optimism
3. bowl talk

Unencumbered by such restrictions, the athletic board or alumni, the scribe can fearlessly list a possible postseason line-up and risk being barred by the American Football Coaches Association from all dressing rooms.

Rose Bowl — Ohio State vs. Oregon.
Sugar Bowl — Alabama or Louisiana State vs. Notre Dame or Georgia Tech.

Cotton Bowl — Arkansas vs. Nebraska.
Orange Bowl — Texas vs. Alabama or Louisiana State.

Gator Bowl — Florida-Florida at Cincinnati, the New York Knickerbockers, downed the Detroit Pistons 108-95.

Despite a somewhat disorganized performance by Baltimore, the Celtics had to hit 47 per cent of their field goal attempts to take their second decision in two nights from the Bullets.

Jerry Lucas scored 32 points in the Cincinnati victory after Philadelphia held Oscar Robertson to 11 points. Chet Walker's 28 topped the 76ers, who tumbled into last place in the Eastern Division.

New York won its first game to move ahead of the 76ers, with rookies Howard Komives and Willis Reed scoring 20 points apiece. The Knicks jumped into a 16-2 lead. Eddie Miles led Detroit with 17.

No games are scheduled tonight.

State winner vs. Duke.

Second-ranked Notre Dame, off to its best start since its last unbeaten season in 1953, beat Stanford 28-6 Saturday with Sugar Bowl representatives in the stands "to demonstrate interests."

"Who talks about bowl games in the middle of the season?" asked Irish Coach Ara Parseghian. "This is a matter for the athletic board, anyway."

Notre Dame has had an anti-bowl policy since the 27-10 conquest of Stanford in the 1925 Rose Bowl. A few years ago, however, Athletic Director

Moose Krause suggested he might take kindly to an invitation when the Irish merited one, carefully pointing out he was not speaking for the board. This may be the year.

To better explain the post-season prognostications take a closer look at conference and regional breakdowns:

Big Ten
Top-ranked Ohio State, under the firm hand of Woody Hayes, appears to have the inside track for the crown and the trip to Pasadena although Purdue still shares first place with the

Buckeyes. Defending champion Illinois and Michigan are far from out of it, too. But Ohio State has already beaten the

Illinois, Purdue-Illinois and Ohio State-Iowa are big games this Saturday with Michigan-Ohio State in the season's windup.

Southeastern
Alabama, the No. 3 club Bear Bryant calls "the best crew of young folks I've ever been around," solidified its first place grip by edging Florida 17-14. The Crimson Tide keeps rolling even with quarterback Joe Namath injured because

Steve Sloan takes over so smoothly.

The ninth-ranked Gators missed a field goal on the final play. No. 7 LSU salvaged a 3-3 tie with underdog Tennessee in a fierce defensive war. LSU is worried about an ambush from traditional rival Mississippi — having its troubles so far and led by Vanderbilt 7-7 — before the Tigers take on Alabama in the big one Nov. 7 at Birmingham. LSU still hasn't lost. Florida and LSU have a hurricane-postponed date Dec. 5.

Southwest
Arkansas, fourth-ranked, and owner of the only victory over Texas in 17 games, heads the race for the host Cotton Bowl berth and will resume league campaigning against Texas A&M after a nonconference 17-0 breeze over Wichita, Texas, No. 6, remained close by edging Rice on a pair of field goals.

Next: SMU.

Atlantic Coast
Unbeaten, once-tied Duke, which whipped Army 6-0 with field goals and defense, is in command after turning back

standings soon.

Big Eight
Fifth-ranked Nebraska held Colorado to minus-three rushing yards en route to a 21-3 victory. Kansas kept pace in the race by nudging Oklahoma State 14-13. So far the Huskers have shown too much defense for the rest of the league. Missouri, 10-0 conqueror of Iowa State, is the roadblock dead ahead. Nebraska's Orange Bowl champs doubtless would like to try a different post-season setting this trip.

Independents
Georgia Tech, unranked but unbeaten, commands attention although scared before edging Tulane 7-6. Florida State, which previously humiliated Kentucky 48-6, had underdog Virginia Tech rattle its 10th rating 20-11. Twice-beaten Syracuse lost prestige on the West Coast. Remembering Pitt couldn't get a major bowl invitation with a 9-1 record in 1963 it now appears certain the East will not have representative at one of the big five postseason classics this year. The service academies are all sub-500. Villanova is still unbeaten. Notre Dame remains far ahead in this category.

ELECT TO VOTE ELECTRIC

"DEAR ABBY"

NOT FOR ART'S SAKE

By Abigail Van Buren

Dear Abby: Our son is an art major at a university and he spent the summer in Italy. He had a lot of stuff shipped home that he bought over there. Mostly they are statues of men and ladies and even little children. Everybody naked. There's not a stitch on any of them. Our son wasn't raised that way, but college ruined him. The preacher called on us yesterday and, when I saw him coming up the road, I started moving all those bare statues out of sight because I didn't want him looking at them and me at the same time. My husband called me a hypocrite and a backslider. Was I wrong to get that stuff out of sight before I let the preacher in the house?

PINE BLUFF, ARK.
Dear Pine Bluff: Not in my opinion. GOOD sculpture, draped or otherwise, should offend no one. But since you apparently have no appreciation for the collection under any circumstances, keep it ditched and you'll have no problem.

Dear Abby: I'm a 13-year-old girl who rides to and from school every day on the bus. Well, there is this cute boy who always ends up sitting near me no matter where I sit. He doesn't say "Hi," he just socks you. I don't bother him. In fact, I don't even look at him. I did everything my mother told me to do to ignore him, but nothing works. What should I say or do?

NEEDS HELP
Dear Needs: Tell the bus driver, and let HIM deal with the boy. If it makes the socks any less painful, the boy is probably mad about you and is only trying to get your attention.

Dear Abby: If you were a personal friend of mine and I left

my two small children with you while I went to the doctor, would you hold me responsible for an expensive vase which my 14-month-old son had broken? As soon as I walked into the door this friend told me that I owed her \$45 for the vase my child had pulled off an end table. Had I been visiting this person with my child and such a mishap occurred, I would have felt responsible because I should have been watching my child. But my child was in HER care, and it was due to HER negligence that the vase was broken. I am going to pay for it anyway to avoid hard feelings, but don't you think I am right?

EASY-GOING
Dear Easy: Yes. But the lesson you learned was cheap at \$45. Now that you are aware of how negligent your friend is, I hope that you'll never entrust your children to her care again. The porcelain vase could have come down on your child's head.

Henderson Is Topped From Unbeaten List

By THE ASSOCIATED PRESS

Arkansas A&M, sparked by the passing of quarterback Don Murray, topped undefeated Henderson 14-7 Saturday night in Arkansas Intercollegiate Conference action at Arkadelphia. In other AIC games Southern State beat State Teachers 9-7; Arkansas Tech defeated Tarleton, Tex., 16-7; Ouachita beat Ozarks 7-0 and Harding whipped Millsaps of Jackson, Miss., 7-0. Murray connected on pass plays of 56 and 22 yards to Sidney Phillips and Danny Harkins for the Boll Weevil scores. Henderson got its one touchdown when Larry Walker punched over from the one.

Punter Buzz Bolding stepped out of the end zone while trying to punt to give Southern State a safety and the victory over State Teachers in a game at Magnolia.

Johnny Beard passed eight yards to Robert Stone for the ASTC touchdown and Southern State quarterback Johnny Tune hit half back Jim Leonard on a 59-yard pass play for the Mulerider score.

Arkansas Tech took advantage of two pass interceptions to get a touchdown and a field goal, and pounced on another touchdown on a 54-yard drive to take the victory over Tarleton.

SIDE GLANCES

By Gil Fox

"Sure, everybody knows what comes after one: it's blastoff!"

in a game at Stephenville, Tex.

Dairel Obar picked off a Tarleton pass and Tech moved from the Tarleton 39 to the three in 14 plays before Sonny Zachary kicked a 19-yard field goal. Lionel Higgins grabbed another Texas pass on the Tarleton 30 and Tech scored on the next play.

Halfback Johnny Johnson punched over from the three to give Ouachita the only touchdown of the game late in the first period after Ouachita gained possession of the ball when John Estes intercepted an Ozarks pass at the Ozarks 20.

Olympic Games Had Red, White and Blue Tint

By WILL GRIMSLEY

Associated Press Sports Writer
TOKYO (AP) — Teen-age wizards of the water and a track and field team that overshadowed the Soviet Union in depth and versatility gave a definite red, white and blue tint to the 18th Olympic Games.

Although the Russians collected the most medals, the Americans picked up the biggest cache of championship golds and took the limelight from their Soviet rivals in the prestige events.

The Stars and Stripes were raised so often over the main stadium and the swimming pool that one American competitor said, "I thought they would wear out the flag" and Japanese school children went through the streets whistling "The Star Spangled Banner."

American swimmers and divers won 16 of 22 events, smashing the world record in almost all of them, in a near sweep of the swimming competition. The U.S. added 14 gold medals in track and field, winning the 5,000 and 10,000 meters for the first time in history.

The Yanks maintained their 60-year monopoly in basketball, crushing the Russians in the final game 73-59, and suffered disappointments only in boxing, wrestling and weight-lifting.

It was in these events, plus gymnastics, that the Russians picked up the bulk of their 96 medals, six more than the American total. But it was over-all a sub-par performance for the giants from behind the Iron Curtain.

The Soviet coaches came in for criticism from Pravda, the Communist organ, and Gabriel Korobkov, the head track and field coach, said bitterly, "Our athletes are too old and worn out — we need new blood."

He also said he was quitting. One pundit remarked that his next post may be an assignment in Siberia.

Don Schollander, 18-year-old from Lake Oswego, Ore., emerged as the outstanding individual of the Games, winning four gold medals. His counterpart on the women's side was a 15-year-old free-style and butterfly specialist from Glendora, Calif., Sharon Stouder.

Sharon also won four medals — three gold and a silver — and her silver was one of the most precious of all. In winning it, she cracked the one minute barrier in the women's 100-meter free-style, swimming it in 59.9 seconds to finish second behind the amazing Dawn Fraser of Australia, winner of her third straight gold.

Billy Mills, a half-Sioux Indian from Pine Ridge, S.D., produced the biggest upset of the Games when he won the 10,000-meter run — showing his heels to the greatest distance runners of the age.

Talk that the United States athletes were too soft and pampered to win in tests of strength and endurance was spiked when Bob Schul won the 5,000.

Bob Hayes, the Florida A&M

Harding picked up its first victory of the season and added another loss to Millsaps' string, stretching it to five games. The Harding touchdown scored when halfback Richard Davis danced one yard around end.

Hanging Out the College Grid Wash

By DICK COUCH

Associated Press Sports Writer

Hanging out the college football wash — and can you beat those Texas suds?

A sudden hailstorm bleached the Lubbock, Tex., gridiron a snowy white early in the second period of Saturday night's Texas Tech - Southern Methodist game and forced a 13-minute half in play.

Matty Bell, long-time coach and athletic director at SMU, couldn't recall a previous Southwest Conference game being delayed by bad weather — and he's been riding the SWC range since 1915.

When the Texas-size hailstones finally subsided, Tech went on to whitewash the Mus-

lango 12-0.

Rice got three points and so did Rice in a 6-3 SWC loss to Texas. Larry Rice booted a field goal for the Owls.

When the outcome of the regionally televised Ivy League game became apparent, the Harvard cheering section chanted "NBC Go Home" and the Dartmouth side answered "NBC Stay."

The reason: Dartmouth was on the way to a 48-0 romp over the Crimson; the Indians running their unbeaten string of video appearances to 18 while Harvard was losing its fifth straight before the cameras.

Casey's Commandos are the toast of Oregon today after the unbeaten Duck's defensive unit, named after junior linebacker Tim Casey, swiped four passes and recovered two fumbles in a 7-0 victory over arch-rival Washington.

Rams Defeat the Sagging G. B. Packers

By MURRAY CHASS
Associated Press Sports Writer

Bobby Smith runs more than 90 yards every time he scores a touchdown, and Bucky Pope, his Los Angeles Rams' teammate, scores a touchdown every other time he catches a pass.

But Jim Marshall of the Minnesota Vikings hopes he hasn't started a personal trend on running with recovered fumbles.

Smith and Pope starred for the second straight week as the surprising Rams defeated the sagging Green Bay Packers 27-17 in the National Football League Sunday. Marshall glittered in his own way in the fourth quarter of the Vikings' 27-22 triumph over the San Francisco 49ers.

Bill Kilmer caught a pass from George Mira on the 49er 40, but he bobbled the ball. Marshall, a five-year veteran, alertly snatched it and lit out for the end zone.

Sixty yards later, he arrived there safely. Unfortunately, he had failed to hear the screams of his teammates. They had tried to warn him that he was running the wrong way.

So instead of the Vikings receiving six points for a touchdown, the 49ers earned two points for a safety, a harmless two points as things turned out.

"I didn't know what I had

done," an embarrassed Marshall said after the game. "Things just happened. I didn't even know I had picked up the fumble. I lost all sense of direction."

But that wasn't the case with Smith, the Rams' electrifying defensive back. He scooped up Paul Hornung's partially blocked field goal attempt on Los Angeles' six-yard line in the third quarter and raced 94 yards for the touchdown that put the Rams ahead to stay.

The touchdown was the second for Smith this season, the first coming last Sunday against the 49ers. It was a brilliant 97-yard run with an intercepted pass. Both plays are the longest in the NFL this season.

Rookie Pope, a pass receiver from Catawba College, also was in on a long play, a 55-yard scoring pass from Roman Gabriel in the second quarter. The pass, the only one he caught in the game, brought his season record to 12 passes received, six going for touchdowns.

Cleveland crushed New York 42-20, Baltimore trampled Detroit 34-0, Dallas whipped St. Louis 31-13, Washington defeated Chicago 27-20 and Philadelphia knocked off Pittsburgh 34-10.

In the American Football League, San Diego edged Houston 20-17 and Oakland ran over Denver 40-7. Buffalo beat New York 34-24 Saturday night and Boston trimmed Kansas City 24-7 Friday night.

Cleveland took over sole possession of first place in the Eastern Conference, scoring twice in the fourth quarter on

Giant fumbles. Paul Wiggin stepped into the end zone after grabbing Dick James' bobbie on the two-yard line, and Charley Scales raced 18 yards following a miscue by Clarence Childs.

Dallas, meanwhile, dropped the Cardinals into second place in the East as Don Meredith threw to Franke Clarke for one touchdown and tossed to the same receiver, setting up another. Amos Marsh ran for two more scores.

Johnny Unitas flipped touchdown aerials to Ray Berry and Jimmy Orr, carrying Western Conference leader Baltimore to its sixth straight triumph. The Lions had gone into the game with the league's toughest defense.

Chicago tied Washington 20-20 on Billy Wade's late touchdown pass to Joe Marconi, but the Redskins won when Sonny Jurgensen threw his fourth scoring pass, a 15-yarder to Pres Carpenter.

Red Mack snared three passes for 104 yards, and Ollie Matson ran and caught passes for 136 yards, paving the way for an easy Philadelphia victory over the Steelers.

hit 19 of 31 passes for 226 yards. It was his aerial artistry, coupled with 35-yard TD run by Lance Alworth and a 58-yard TD interception of a Blanda pass by Henry Schmidt that overcame the Oilers.

San Diego, the defending AFL champs, spotted Houston an early 7-0 lead, then piled up a 20-7 lead before the Oilers cut it to 20-17 at halftime. Blanda passed to Charlie Hennigan for a TD, then booted a 36-yard field goal with just one second to play in the half.

A driving rainstorm made the field muddy in the second half and there was no further scoring. Blanda passed the Oilers to the San Diego 20 late in the game, but his field goal try to tie the score was no good.

The victory gave San Diego a two-game lead over Kansas City in the Western Division. Kansas City lost to Boston 24-7 Friday night.

Lamonica, formerly of Notre Dame, saved the unbeaten Buffalo Bills from their first defeat

against the aroused New York Jets in a Saturday night fray. The Jets led 24-10 in the third quarter before Lamonica led a last period surge that brought the Bills their seventh straight victory 34-24.

A 56-yard TD pass from Lamonica to Elbert Duenen tied the score at 24-24 with 7:44 left to play. Lamonica then put the Bills ahead to stay by plunging over from the three with 4:19. Pete Gogolak added a 31-yard field goal for the Eastern Division leaders.

Baltimore won its sixth straight in the National Football League Sunday by walloping Detroit 34-0. Other results: Dallas 31, St. Louis 13; Cleveland 42, New York 20; Washington 27, Chicago 20; Los Angeles 27, Green Bay 17; Philadelphia 34, Pittsburgh 10 and Minnesota 27, San Francisco 22.

ELECT WIN ROCKEFELLER

...the man most qualified to be your governor

The people of Arkansas have in this election a chance to replace an opportunistic and arrogant state government with new leadership, new vision, new achievement.

Win Rockefeller as governor of Arkansas would make fresh again the challenge of greatness to our people.

His accomplishments for Arkansas are already too numerous to count. As governor he could add to this long list for you. He could rejuvenate our industrial growth, improve our levels of education, build a modern highway system, drive graft and waste out of our government, and get you much better values for your tax dollar.

Look ahead... look to the future of Arkansas... to your future... to your children's future...

Plan now to vote for Win Rockefeller for Governor on November 3.
